

All publications listed in this catalogue are made for the spiritual benefit of the readers and not as a profit-making enterprise. The figures given here are suggested contributions only.

Vaisnava Seva

Dear Devotees and Sincere Seekers, with due respect, please note:

- We are not doing business with publications; this is not a commercial enterprise on our part.
- If you wish to sell our books, etc. to others, please consider all amounts quoted here as wholesale prices, and consider the recommended retail price to be at least 50% above this.
- As Seva to the Vaisnavas and sincere seekers, that same 'wholesale price' is also applicable to smaller purchases made directly from us — even a single book — so you can have the books at the minimum cost.
- The amounts quoted in this "Publications Available" booklet have been reached in close consultation with our Srila Acharyyadev.
- If you have an exceptional order and feel that a further discount in cost is appropriate for your order, please bring this to our attention.
